Welcome New Member

Once we have approved your Cooperative Purchasing Agreement (CPA) you are ready to begin using Mohave cooperative contracts. Our website www.mesc.org enables you to search for products or services by type or by vendor name.

Mohave is funded by a one-percent (1%) administration fee. This fee is associated with the contract purchase price of ordered materials or services (excluding shipping charges, taxes, permits, etc.). All fees are remitted directly by the vendor.

The administration fee is the primary means for supporting Mohave's operations to include salaries, facilities, vehicles, utilities, maintenance and supplies. This fee is lower than or equal to the fees charged by similar cooperatives around the nation. No direct tax dollars are utilized to fund our organization.

History of Mohave

In 1971 the school districts in Mohave County established a career education program called the Mohave County Career Education Project. The program provided local schools with career days, field trips to work sites, career fairs, and media related to the world of work. In 1980, the state changed career education from discretionary grants to formula funding through the regular school budget. Only a handful of career education projects survived that funding change.

Because Mohave County Career Education had diversified into other programs, the schools in the county decided to keep the project alive. The name was changed to Mohave Educational Services Cooperative (Mohave, for short). Mohave operated through the Mohave County School Superintendent's office.

In 1981-82, Mohave introduced local schools to educational software through the Minnesota

Educational Computer Consortium (MECC). Mohave County districts were saving money on this software through the cooperative. When schools outside Mohave County inquired if they could be provided the same services, the Mohave County Attorney approved participation by other school districts, as long as they paid an administration fee that covered all our costs for providing them with services. Over the years, Mohave has expanded its contracting into other products and services for schools and non-school agencies throughout Arizona.

To fill the statewide need for equipment and services, Mohave has competitively solicited and awarded cooperative procurement contracts. Mohave follows the same State-wide rules and procedures our members must use to award procurement contracts. All members can order through Mohave using those contracts. Cooperative purchasing can save members time and money.

Using Mohave contracts, our members are able to purchase a variety of required materials, construction and services, with even the smallest member enjoying the purchasing power of the entire state.

In May 2004, legislation (HB 2181) was passed to allow agencies such as Mohave to provide public procurement services as state nonprofit corporations. In January 2005, Mohave's articles of incorporation pursuant to A.R.S. § 11-952 and A.R.S. § 41-2632 became effective.

Mohave Educational Services Cooperative, Inc., is governed under Title 10 of the Arizona Revised Statutes. As a public procurement unit, members can use Mohave contracts to procure products and services just as they did before the incorporation.

Effective January 1, 2008, Mohave implemented a new process change that allowed for purchase orders to be made out directly to the vendors. This had been requested for many years and the timing and situation became right to accomplish this change. After a year of training vendors and members, Mohave began this process change. Among the major changes to this are the new invoicing and payment procedures

Image of NIGP Outstanding Agency Accreditation Achievement and Achievement of Excellence in Procurement Award

as outlined in this revised handbook. Vendors are now invoicing members directly and members are now paying the vendors directly. Mohave's staff is still reviewing purchase orders and conducting audits of orders; however, the vendors and members now have far greater roles in the process of using Mohave contracts. Mohave is still an integral part of contract administration and management as well as being available for any dispute resolution.

For over 45 years, Mohave's staff has been dedicated to providing the finest service possible to our members. Our staff is qualified, trained and experienced. Several have achieved professional certification in their areas of expertise. Mohave has received the Annual Achievement of Excellence in Procurement Award® from the National Purchasing Institute (NPI) on seventeen separate occasions. We have been successful in receiving this prestigious award each time we submitted an application. Mohave has also received the NIGP Outstanding Agency Accreditation Achievement Award® which is effective until August 2022. Mohave has held this certification since September 2001. These awards were given in recognition of Mohave's professional purchasing program.

Awarded Contracts

Mohave receives suggestions or requests for specific contracts through its member and vendor communities. Once these requests are verified as viable contract opportunities they are placed on a prospective list for future Mohave solicitations.

As time and resources allow, a new solicitation is developed. Mohave and member personnel research the requirements necessary and an Invitation for Bid or Request for Proposal is then drafted by Mohave's Contract team.

Notices describing the solicitation are emailed to vendors registered in Mohave's prospective bidders database for the goods or services listed in the solicitation. (Vendors may register as prospective bidders on our website - there is no charge associated with this registration.)

All responses to these solicitations are dated, time stamped and initialed by Mohave personnel upon receipt. Bids and proposals are opened and announced publicly at the due date, time and place noted.

After the public openings, a Mohave evaluation committee evaluates the responses. The committee is comprised of Mohave staff and may include member representatives. The responses are evaluated in accordance with the criteria listed in the solicitation. Bids are awarded to the lowest responsible and responsive bidder or bidders. Proposals are awarded to the vendor or vendors whose proposals are determined to be the most advantageous to Mohave and its members in accordance with the evaluation criteria. With proposals, best and final offers may be required before contracts are awarded.

Single awards may not be advantageous to Mohave's members for some products or services. In those instances, a determination

for multiple awards is completed. All award information is documented in writing.

Bids and proposals become contracts after final approval and signature by Mohave's Executive Director. All vendors receive notification of solicitation awards. Awards are posted on the Mohave website under the Contracts & Solicitations dropdown. Most contracts are awarded for one year and allow up to four consecutive one-year renewals.

All contract documentation is located under the specific vendor's page under the "Pricing & Docs" tab. This includes downloadable folders containing useful digital documentation for the awarded contracts. These folders contain information to assist you in your due diligence review of the contracts for compliance with competitive procurement requirements.

An independent auditor reviews our procurement practices each year as part of our financial audit. This audit examines Mohave's procedures and compares them with the Arizona Procurement Code and the Arizona State Board of Education School District Procurement Rules. The Procurement Practices Reviews can be found under the "Due Diligence" link at the bottom of our website.

Processing Standard Purchase Orders

- The Mohave vendor will provide you with a quote detailing the product or service description, any related part number(s) and the current approved contract pricing.
- You will prepare a purchase order made out to the vendor and references the vendor's specific Mohave contract number. You will send the purchase order and a copy of the vendor's quotation to Mohave by fax to 928-718-3232 or email to orders@mesc.org.
- A Procurement Specialist will review a sampling of items on your purchase order to determine if the purchase is compliant under the specific contract. Once completed the Procurement Specialist will stamp your purchase order with "MESC Reviewed" and forward the purchase order to you and the vendor via email. Under our contracts, Mohave vendors are prohibited from doing any work or providing any products until they have received Mohave's approval for the members purchase order.

- The vendor will then provide the goods or services as specified within the purchase order.
- Revisions to your purchase order must follow the same procedures as above.

Please note that Mohave assists members with purchase verification. However, it is the member's responsibility to independently verify that quotations and purchase orders comply with the terms of the award of the contract or procurement. This responsibility is set by the Arizona Auditor General's Office and cannot be changed by Mohave. Contract documentation files are located on our website to assist members in meeting their due diligence responsibility.

A Procurement Specialist is committed to quick turnaround of your purchase order. This means that the vendor will generally receive the "MESC Reviewed" purchase order within one business day. Problems with a purchase order (such as incorrect pricing, including products or services that are not under contract, failing to attach a quotation, etc.) will delay processing. Peak order periods, such as the beginning or end of a fiscal year, may have longer turn around time. Even during peak periods, the procurement specialists make every effort to process all orders as quickly as possible.

Special Order Processing

Some orders such as e-rate, lease and direct orders require special order processing. Instructions and sample purchase orders for processing these are provided in the exhibits in this handbook.

Payments

In general, vendors will invoice at the time products are shipped or services provided. Lease and e-rate billing are exceptions (see exhibits). Each contracted vendor has slightly different invoicing procedures: however, for the most part, they are very similar.

Your Cooperative Purchase Agreement requires you to pay within 30 calendar days of receipt of the vendor's invoice. Please work very closely with the contracted vendor to ensure payment is made in a timely manner. If you and the vendor are unable to agree upon matters relating to the invoice and/or general billing, please contact our Procurement Specialist for assistance.

Contract Examination

Mohave contracts are public documents. In accordance with Arizona law, they are available for inspection by interested parties. Interested parties may also obtain copies of some or all pages upon request. Contact Mohave's Contracts Manager for details on inspection of contract documents.

Mohave contract pricing can be found at www.mesc.org. For members to view this pricing, you must contact the reference listed in the website for a user ID and password. Only one user ID will be issued to each member. It is important that this information not be shared outside of your organization, this pricing is being offered to you as a member of the Mohave Educational Services Cooperative.

Pricing

Mohave contract pricing can be fixed price, percentage of discount off a specified price list, or a combination of both. For contracts that use a discount off a price list, new pricelists become part of the contract upon Mohave's approval.

All price changes are subject to Mohave's approval. Special offers, quantity discounts, etc., must be received and approved by Mohave before they are offered to you.

E-rate contract prices do not include the administration fee because USAC (Universal Service Administrative Company) will not pay or reimburse administration fees. The vendor will invoice the member at contract prices for payment on goods and services, which are not funded, and will invoice the USAC for the funded portion. Mohave will invoice the member for payment of the administration fee.

Returns

Mohave has many contracts, each with a unique policy regarding returns. Regardless of a particular policy, returns on products purchased under Mohave contract should be arranged directly with the contracted vendor.

Contact the vendor as quickly as possible to request a return. After you have met the requirement of the return policy and accepted the obligation to pay any restock fees, the vendor will arrange for return of the product. Products must be returned as directed by the contracted vendor. They are not routed through Mohave. Mohave does not accept responsibility for items returned to our office in error.

Things To Keep In Mind:

- Advise us of any changes in your address, contact person, phone numbers, etc.
- Send issued purchase orders to Mohave made out to the contract vendor.
- Note the applicable MESC contract number on your purchase order.
- Check your emailed copy of the "MESC Reviewed" purchase order for notations.

EXHIBIT 4 USING MOHAVE CONTRACTS UNDER E-RATE

- ❖ Member will issue one purchase order to Mohave indicating the order is for an E-Rate purchase and listing the vendor's contract number. Purchase order will provide a description of the project, list the item(s) to be purchased, and provide Mohave contract price(s) in the body of the purchase order. Prices in Mohave's E-Rate contracts do not include the one-percent administration fee.
- ❖ Member will issue a second purchase order to Mohave Vendor indicating the order is for an E-Rate purchase and listing the vendor's contract number. Purchase order will provide a description of the project, list the item(s) to be purchased, and provide Mohave contract price(s) in the body of the purchase order. For long detailed orders, members may provide the project's description in the body of the purchase order and attach the details on separate sheet or vendor quote. The PO will be in the amount that the member will pay directly to the vendor (the amount not funded by the SLD). Prices in Mohave's E-Rate contracts do not include the one-percent administration fee.
- ❖ Member will send the Mohave purchase order, a copy of purchase order issued to the vendor, a copy of the vendor's quote, and a copy of the Schools and Libraries Division (SLD) Funding Commitment Report to Mohave. Highlight the section of the SLD Funding Commitment Report that applies to the purchase order.
- ❖ Mohave will issue a summary to the vendor that states "E-Rate Summary" in the top right corner and send it and the "MESC Reviewed" vendor purchase order to the vendor. The summary is the total amount of contract usage. Vendors should only start work on E-Rate projects under Mohave contract after receipt of the reviewed purchase order and summary.
- ❖ Vendor will perform the work in accordance with the contract and the purchase order. Vendor will invoice the Universal Service Fund (using vendor's SPIN number) for the eligible percentage of the project noted in the SLD award document.
- ❖ Vendor will invoice the member directly for the balance of the project. Payment will be made directly to the vendor.
- ❖ Mohave will invoice the member for Mohave's one-percent (1%) administration fee. Mohave will not invoice for the goods and services for the project. The only money Mohave will receive for the E-Rate project is Mohave's one-percent (1%) administration fee. Mohave holds the contract and does not have a SPIN number. Therefore, we cannot invoice the Universal Service Fund.
- ❖ We recommend checking with the SLD or Arizona Department of Education for additional information on E-Rate purchases. Also, please feel free to contact us for further information.

LEASE PROCESSING INSTRUCTIONS FINANCING ONLY UNDER MOHAVE CONTRACT

FINANCING IS THROUGH A MOHAVE FINANCING CONTRACT

This process applies if a member is financing the purchase of equipment and the financing is through a Mohave leasing contract. In this example the equipment is not purchased through a Mohave contract.

The processing instructions are as follows:

1. The member issues a PO to a Mohave financing contractor or the financial institution to which payments are to be made. The member PO must reference the MESD contract number. The PO amount is the initial payment(s) due for the initial PO term.
2. The body of the member's PO contains the complete purchase description (items purchased, unit price, extended cost, total cost, tax, freight, and term of lease).
3. The member provides Mohave documents, to include, a copy of a financing proposal from the financing contractor, an amortization schedule, and the member PO.
4. Mohave issues a "Lease Order" to the Mohave financing contractor that includes a summary of the products being leased, lease term, and financing contractor.
5. The Mohave financing contractor completes the funding and notifies Mohave. Mohave revises "Lease Order" with the exact amount of the interest on the lease and issues an invoice for the transaction fee to be paid by the Mohave financing contractor. (A transaction fee is 1% of the total interest to be paid under the lease).
6. Copies of the Mohave Lease Order, member's PO to Mohave financing contractor, a copy of a financing proposal from the financing contractor, and an amortization schedule are sent to the Mohave member, and the Mohave financing contractor.
7. The Mohave financing contractor pays Mohave the transaction fee from the invoice created for the transaction.
8. The equipment contractor will submit the invoice for the equipment directly to the member or Mohave financing contractor
9. The Mohave financing contractor pays the equipment contractor upon receipt of the invoices and acceptance certificate from the member.
10. The Mohave financing contractor invoices the member directly for all lease payments.
11. The member makes lease payments directly to the Mohave financing contractor.

LEASE PROCESSING INSTRUCTIONS PURCHASE AND FINANCING UNDER MOHAVE CONTRACTS

MOHAVE FINANCING AND EQUIPMENT CONTRACTS USED

In this example a member is financing the purchase of equipment and both the equipment purchase and the financing are through Mohave contracts.

The processing instructions are as follows:

1. The member issues a PO to a Mohave financing contractor or the financial institution to which payments are to be made. The member's PO must reference both MESG contract numbers for financing and equipment. The PO is in the amount of initial payment(s) due for the initial PO term.
2. The body of the member's PO contains the complete purchase description (items purchased, unit price, extended cost, total cost, tax, freight, term of the lease).
3. The member documents provided to Mohave include the detailed equipment quote, a copy of the financing proposal from the Mohave financing contractor, an amortization schedule, and the member PO.
4. Mohave issues one "Lease Order" to the Mohave equipment contractor. Mohave's equipment Lease Order amount is equal to the cost of the purchase of the equipment (cost of equipment, only adminfeeable).
5. Mohave issues a second "Lease Order" to the Mohave financing contractor. The Mohave financing contractor completes the funding and notifies Mohave. Mohave revises "Lease Order" with the exact amount of interest determined and issues a Mohave invoice for the transaction fee. This fee is to be paid by the Mohave financing contractor. (A transaction fee is 1% of the total interest to be paid under the lease).
6. Copies of both Mohave Lease Orders, the member's PO to the Mohave financing contractor, detailed equipment quote, a copy of a financing proposal from the Mohave financing contractor, and an amortization schedule are sent to the Mohave member, Mohave equipment contractor, and Mohave financing contractor.
7. The Mohave equipment contractor will submit the invoice for the equipment directly to the member or Mohave financing contractor.
8. The Mohave financing contractor pays the Mohave equipment contractor upon receipt of the invoices and acceptance certificate from the member.
9. The Mohave equipment contractor reports and pays the Mohave admin fee on their monthly reconciliation report to Mohave.
10. The Mohave financing contractor pays Mohave the Transaction Fee from the Mohave Invoice.
11. The Mohave financing contractor invoices the member directly for all lease payments.
12. The member makes lease payments directly to the Mohave financing contractor.

5. Mohave issues a "Lease Order" that includes a summary of the products being leased, leasing terms, and financing contractors. Mohave's equipment Lease Order amount is equal to the cost of the purchase of the equipment (cost of equipment).
6. Copies of the Mohave Lease Order, member's PO to third party financing contractor, detailed equipment quote, a copy of a financing proposal from the financing contractor and an amortization schedule are sent to the Mohave member and Mohave equipment contractor.

MESC REVIEW TOOLS

MOHAVE EDUCATIONAL SERVICES COOPERATIVE REVIEW TOOLS

As part of the service Mohave provides its members, Mohave Procurement Specialists perform an initial review sampling for contract compliance on member purchase orders using a Mohave contract. After the Mohave Procurement Specialists have completed their review, members and vendors will simultaneously receive the “MESC Reviewed” purchase order and documentation back up via email. To assist members and vendors, Mohave has incorporated a cover sheet and stamps into the review process.

MOHAVE’S PROCUREMENT STAMPS

The “MESC Reviewed” stamp indicates that Mohave has done an internal check, and the Purchase Order is ready to be initiated by the vendor. Mohave sends members and vendors reviewed POs via email with documentation attached. All Mohave contract orders should be stamped “MESC Reviewed.” If you receive an unstamped PO, please send it to Mohave for review.

Mohave uses a cover sheet to assist vendors with the Reconciliation Report. This coversheet differentiates the line item amounts Mohave should receive administration fees on versus those considered non-eligible administration fee items.

A “Split PO” stamp is used when a member issues a PO for a single vendor using two or more Mohave contracts for that vendor. The contracts will be listed on the “Split PO” stamp. There will be a PO copy with a contract breakout for each contract used on the member purchase. The highlighted contract will correspond to the amounts on the coversheet. An email will be sent for each contract used with the PO and documentation attached.
