4. Once the cart is built you can put together a full quote that includes shipping method as well as shipping address by either choosing the "Create Standard Quote" or the "Create Express Quote" option. By choosing the "Create Standard Quote" option you choose your shipping address and shipping method (ground, express, etc). By choosing the "Create Express Quote" you can bypass choosing the shipping methods and address by setting up a default shipping options, which allows you to skip directly to the Confirm Quote. Once the quote is confirmed, you can print a copy of the quote and fax a copy of the quote as well as the purchase order to your dedicated Account Manager or one of the contacts above.

- 10. If you chose to use Net Terms for your purchase, once the order is placed, please fax a copy of the Purchase Order to your Account Manager to complete the ordering process.

11. If you look for an item that is Excluded from this contract, i.e. Apple Notebooks, when you search for this product starting the search from the Contracts section at the dedicated Web site for Mohave ESC members, you will find that the items do not appear as an option. For example this search for any Apple Notebooks below, shows that there are none loaded to the contract price. (Note on the left hand section under Advanced search, there is no option for "Apple")
